

DELTA SIGMA THETA SORORITY, INCORPORATED

A Service Sorority Founded in 1913

My Sisters,

Thank you so much for your willingness to assist sorors impacted by Hurricane Harvey and the aftermath. We ask your continued prayers as many sorors and families continue to be affected in Texas and Louisiana. We have developed a list of useful items that may be donated. Two sites have been identified that will be available to receive and store the items. We will continue to identify locations in other areas to make certain sites are easily accessible. Upon identification of additional sites, the information will be forwarded.

It is also encouraged that you make contributions to DREF, the only authorized vehicle designated to collect and distribute relief funds for Delta Sigma Theta Sorority, Inc. The **DST Disaster Relief Fund**, in collaboration with DREF is a trusted source that you may access by visiting DREF's website at www.deltafoundation.net. There you will be able to sign up, make a one-time donation today, and also pledge your tax deductible recurring gift. Please indicate DSTDR (DST Disaster Relief) in the comment section.
