Greetings Sorors,

As Delta Sigma Theta's 50th National Convention quickly approaches, the National Constitution and Bylaws Committee has been hard at work reviewing and discussing the proposed amendments to the Constitution and Bylaws. I am excited to announce that in coming weeks, the committee will be hosting a series of live webinars to review the proposed amendments to the Sorority's Constitution and Bylaws. The webinars will be conducted by region to ensure that the sessions are as interactive as possible, allowing for sorors to ask questions and make comments at the end of the presentation.

While the webinars are open to all financial sorors, I am requesting that each chapter president and voting delegate participate to ensure that every chapter has a clear understanding of the proposed amendments prior to arriving onsite to the National Convention.

Stay tuned for more information on when the webinar in your region will take place. If you have any additional questions, please contact Soror Shannon Jones at 202-986-2400, ext. 397 or sjones@deltasigmatheta.org.

With a servant's heart,

Cynthia M. A. Butler-McIntyre
National President
